BAD POSTURE DETECTED

1. Not to be dramatic but your spine is crying and we felt that.
2. Babe. The slouch. We need to talk.
3. Your posture fell off harder than your situationship.
4. That forward lean is giving villain origin story. Fix it.
5. We like you. Your neck angle? Less so.
6. Your back just left you on read. Time to reply.
7. Main character energy does not live in a forward head posture.
8. You're that girl/that guy. Act like it. Sit up.
9. The vibe is immaculate. The posture is not. Easy fix.
10. Your spine has been patient. It's running out of patience.
11. Okay but what if you sat up and glowed simultaneously?
12. That angle is giving warranty void. Correct it.
13. We're rooting for you. Your posture is not rooting for you right now.
14. Bestie, your neck called. It's not okay.
15. You've been serving looks but your posture is not serving anything right now.
16. The slump is not the aesthetic. You know this.
17. Plot twist: sitting up straight is actually the power move.
18. Your future self just sent a strongly worded message. It said: sit up.
19. That's a lot of tension for someone who deserves to feel good.
20. You wouldn't let your friends slouch like that. Don't let yourself either.

GOOD POSTURE DETECTED

1. Okay you're sitting right and we're a little obsessed.
2. Spine straight. Standards high. That's the energy.
3. That posture just said "I respect myself" and honestly, same.
4. You woke up and chose alignment. Iconic.
5. That's the posture of someone who has their life together, at least partially.
6. Glowing AND well-aligned. The universe is taking notes.
7. Your back is thriving and so are we watching this.
8. That's giving longevity. Your 40-year-old self is screaming thank you.

9. Soft life, strong spine. You cracked the code.
10. You're doing the most (the right amount) for your body right now.
11. That posture is so good it almost makes up for everything else. Almost.
12. Your neck is living its best life and you did that.
13. Aligned. Unbothered. Hydrated (we hope). Thriving.
14. That's the posture equivalent of a green flag.
15. You sat up straight and honestly that's the most attractive thing you've done today.
16. Your spine is in its healing era and it's beautiful.
17. Good posture detected. Superiority complex: justified.
18. That's a habit your future self will bring up in therapy as a win.
19. You're built different. Also your posture confirms this.
20. Sitting right, living right. The checklist is getting checked.
